(PATENT)

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of:
Kenji TAYAMA et al.

Application No.: 10/506,325

Confirmation No.: 8827

Filed: September 2, 2004

Art Unit: 1609

For: COMPOSITION FOR PREVENTING
HYPERTENSION

Examiner: T. P. Thomas

REQUEST FOR EXAMINER INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This letter is to request an Examiner interview in connection with the above-identified application; and to that end, Applicants have submitted with this letter an Applicant Initiated Interview Request Form (PTOL-413A). Applicants propose to schedule the interview during the business weeks of September 24 to October 5, 2007, the particular date and time to be selected by the Examiner.

The Examiner, Timothy Thomas, or the Examiner's Supervisor, Cecelia Tsang, are respectfully requested to telephone Applicants' representative at (858) 792-8855 between 9:00 a.m. – 5:00 p.m. Pacific time / 12:00 p.m. – 8:00 p.m. Eastern time. The following registered patent attorneys or agents will be available to answer the Examiner's or his Supervisor's phone call setting the precise date and time at which the interview will be held: John Burr, Leonard R. Svensson and Susan W. Gorman.

Applicants point out that the end of the statutory period for filing a response to the outstanding Office Action is October 9, 2007, and Applicants strongly desire to conduct an Examiner interview to discuss the rejections of claims 1-13 in advance of filing their upcoming response.

Applicants have placed many telephone calls and left many voicemail messages for both the Examiner and the Examiner's Supervisor, but these attempts at communication have been unsuccessful.

Applicants and Applicants' representatives thank the Examiner in advance for scheduling and conducting an interview as requested in this pending application following the non-final Office Action issued on April 9, 2007.

Dated: September 21, 2007

Respectfully submitted,

By 

Gerald M. Murphy, Jr.

Registration No.: 28,977
